Request to consult unpublished Excavation Reports in NMS Archive – Aug 2013

Terms and Conditions:

1. The material is the copyright of the licence holder and permission to quote from any report must be obtained from the excavator.
2. This facility is offered solely to allow archaeologists to look at unpublished material in order to plan meaningful excavation strategies for nearby or analogous sites.
3. Reports may not be photocopied, traced, or transcribed in detail, without the author's specific permission in writing.
4. Reports may only be consulted on the specified day for consultation of the National Monuments Archive, except by special arrangement with the Archive Unit.

Edward Bourke,
Senior Archaeologist,
National Monuments Service Archive
Department of Arts, Heritage and the Gaeltacht.

Request to view excavation reports

I …… (sign name) undertake to abide by the conditions stated above and to acknowledge any information obtained while consulting reports in the archive. I wish to consult the following reports:
